After encounters with other worldly beings and having dreams that shake the very foundation of her beliefs, she is forced to make a decision. Will she continue to live comfortably as the world slips away, or will she decide to give her faith another shot, even when she doesn't know for sure what is real?

The Marriage of Heaven and Hell Be Transformed by a Glimpse of Paradise: What will heaven be like? What will we do? Who will we see? How can I become more excited about heaven as my true home? Is it possible that knowing more about heaven will result in greater joy and purpose in my daily life? It's not easy separating fact from fiction when it comes to heaven, nor is it always easy to see how the afterlife can affect our lives today. After a car accident caused his nineteen-year-old son to unexpectedly enter heaven, Pastor Steve Berger chose to reject despair and commit himself to carefully studying his son's new, eternal home. He had no idea how much there was to learn, and his life hasn't been the same since. This biblical and deeply personal study of heaven will give you hope for the future. But more than that, it will show you what it means to live today in light of the reality of heaven. If your view of heaven isn't life-changing, it needs to be adjusted. Let Pastor Berger's exploration of eternity fill you with overflowing hope, courage, and purpose: "Sometimes we feel stuck--stuck between the hope of heaven and the pain of this world. In Between Heaven and Earth, my friend Steve Berger shows us how to not only live in that tension, but how--and why--we should embrace it."--Dave Ramsey, New York Times bestselling author and nationally syndicated radio show host "I grew up hearing people say, 'Some Christians are so heavenly minded they are of no earthly good.' Nowadays it seems like the church has become so earthly minded we're of no heavenely good. In Between Heaven and Earth, my friend Pastor Steve Berger shows us the absolute necessity of having a heavenly mind-set (Colossians 3:1-2) in order to make a real difference in people's lives while we remain on earth. Embrace the truths of this book--learn how to have your heart in heaven and your hand in the harvest. It's one decision you'll never regret!"--percentage Camp "When my friend Steve Berger talks about heaven, I sit up and listen. I've walked with Steve as he's faced the trials of this life, and I've observed how he has emerged with a deeper faith and love for the Father and the people around him. What he has taught me makes him long for heaven. Also, it makes me want to spend my time on earth making a difference...and finishing well."--Michael W. Smith "A beloved pastor and teacher, Steve Berger taught for years on the reality of heaven even as we serve Christ on earth, never knowing that one tragic event would bring both realities irrevocably into sharp focus in a moment. . . . Some of God's greatest mysteries are wrapped up in tragedy, but the tears-stained wisdom mined in that darkness is a gift to us all. In this marvelous book, heaven will become a greater reality even as we are invited to live our lives on earth with greater passion."--Sheila Walsh, author of The Storm Inside "Steve has a rich, compelling perspective on Glory that will give you fresh grace to lean into the perfect love of Jesus today. Therefore, I encourage readers not to stop at just one--instead buy a whole case of these puppies and pass them out to all your friends and family!"--Lisa Harper, author, Bible teacher and Women of Faith speaker "In stark contrast to the Bible and the whole of Christian history--today's belief in little about heaven and much about this concerns, challenges, and distractions of this life. In this much-needed corrective, Pastor Steve Berger challenges and equips us to become more heavenly minded, so we can, in fact, be more earthly good."--Michael Hyatt, New York Times bestselling author Between Heaven and Hell Warnings from Heaven was written to open one of God's windows into the future and reveal to humanity things to come.
